## VIRTUAL SCHOOL GARDEN EXCHANGE

**‘Go! Global’** is a virtual school exchange program, which gives pupils the opportunity to share their experiences of school gardening beyond national borders and in real-time.

### **Pupils learn about:**

- school gardening activities in different countries
- plant diversity in the different countries
- cultures and traditions in different countries

## **MYSTERY INTRODUCTION QUIZ**

When a school starts the cooperation, they prepare a short video about themselves without stating where they are from. In the video, they will give 10 hints to where they are from. Other groups get to guess where they are from.

**Which country do I come from?**

**Hint:** A food/plant of my country that is known to the world?

**Hint:** What season is right now in my country?

**Hint:** How many official languages do we have?

**Hint:** Which animal is my country most known for?

## PROJECT ETHOS

The students communicate with each other over several months through videos, photos, video conferences and other media. 'Go! Global' links local groups together to create a globally focused movement. Students can relate personally with other students from all around the globe and understand that we are all linked.
